

## **Grand Celebration at Perma-Pipe's Lebanon, TN plant**

*Perma-Pipe, a division of MFRI (a NASDAQ listed company) successfully celebrated the reopening of our plant in Lebanon, TN in a 2-day event last week. The invitees to the event included a group of customers, suppliers and employees that enjoyed a golf event, dinner and a tour of the plant involved in projects in the District Heating & Cooling (DHC), Oil & Gas, Environmental and other markets that are well suited for factory insulated pipe.*

*Apart from our valued customers, the dignitaries at Grand Reopening also included David Unger, Chairman of the Board of MFRI; Brad Mautner, CEO of MFRI; and Fati Elgendy, President of Perma-Pipe. David, Brad and Fati were joined by the Mayor of Lebanon, TN and others in a ribbon cutting ceremony and lunch to cap off the celebration.*

*The management team and employees are proud of our modernization efforts at our plant and the good wishes of our customers in joining us in this celebration. Please also join us in celebrating this milestone for Perma-Pipe with the pictures of the celebration below.*
